

## **Back by Popular Demand – It's Silver Linings Week!**

**It's time for another round of chances to win silver masterpoints® by playing in Virtual Clubs on [Bridge Base Online!](#)**

**How do you participate? Simply play in your usual Virtual Club game during the week of January 18-24, Monday-Sunday. You'll earn DOUBLE regular club points, which will be SILVER instead of black.**

**If you're not familiar with a Virtual Club yet, it's an online space on BBO just for your regular club – usual games with your friends to support your local club.**

**Here's how Silver Linings Week works:**

- **Any Virtual Club game that starts between 12:01 a.m. on Monday, January 18, and 11:59 p.m. on Sunday, January 24, will automatically be included in the event.**
- **All games will pay DOUBLE regular club masterpoints, and the points awarded will be SILVER instead of black.**
- **You do not need to do anything special to participate these games; Virtual Club play is automatically included.**
- **This is not a STaC (Sectional Tournament at the Club). There will be no overalls or combining of scores. It's your regular club game with new, temporary conditions.**

**This opportunity is only available to clubs that have created a Virtual Club on BBO.**
